

# Heavy Door Hinge

Nylatron caps and washers are not removable (the steel hinge pin is fully enclosed) and permit free low friction movement hardly affected by age or weather conditions. Always fit with double plastic washer at bottom.

This is a handed hinge and **2.0855/001** is illustrated. The other hand is **2.0855/002**.

### 2.0855/001

Handed hinge. (Illustrated)

### 2.0855/002

Handed hinge.
