

Lift-Off Moulded Hinges

Developed as an alternative to our popular die-cast 'torpedo' hinges, this smart design brings all the advantages of modern materials, yet is more economical and fully interchangeable with the die-cast models. Left-hand and right-hand available.

2.9/01380

Lift-off moulded hinge, RH.

2.9/01381

Lift-off moulded hinge, LH.

- Totally corrosion-resistant, for indoor/outdoor use, textured, self-colour finish, and self-lubricating—will not seize up or bind.
- Doors lift-off fixed pin in bottom half of hinge. Use LH and RH together (opposed) when door is required to be permanently fixed.
- Plant-on and secured through countersunk holes in hinge leaf.
- Black, with matt textured finish.
- Hinges moulded in 15% glass-filled nylon, with 10mm diameter pin in Grade 303 stainless steel, ultrasonically welded into lower half.
- Rig-tests show that two hinges (on a 1 metre frame) carried a load of 20kg (44lb) without damage, equivalent to a moment of force of 20NM (1.17KN).
- Highly competitive against market alternatives.
